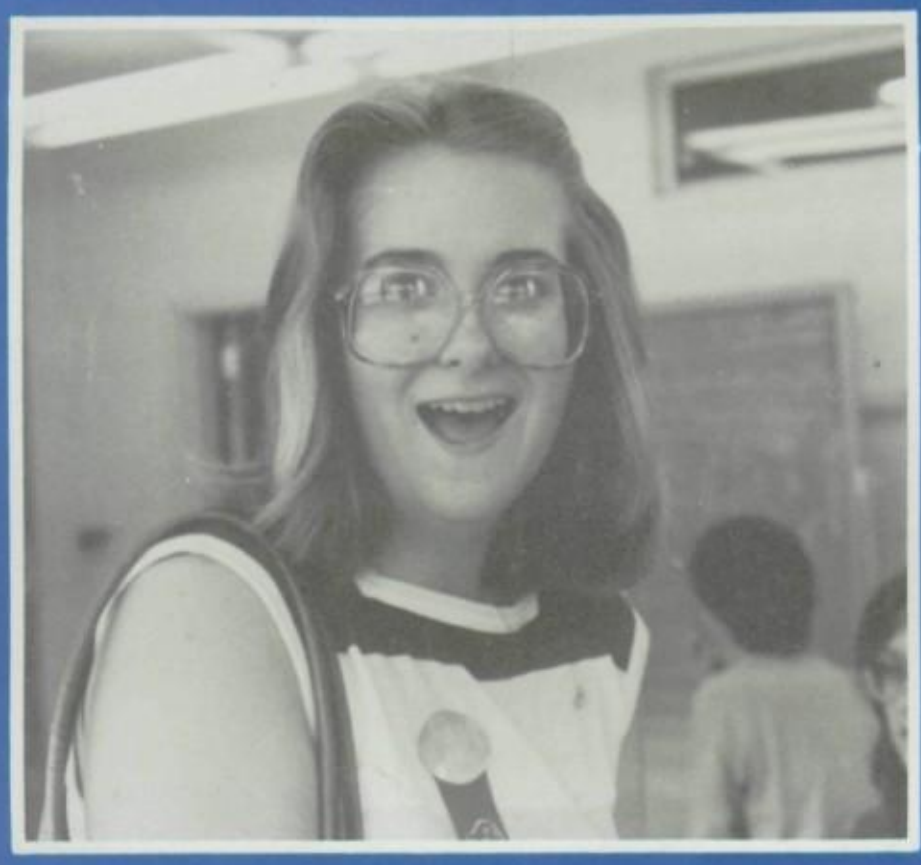
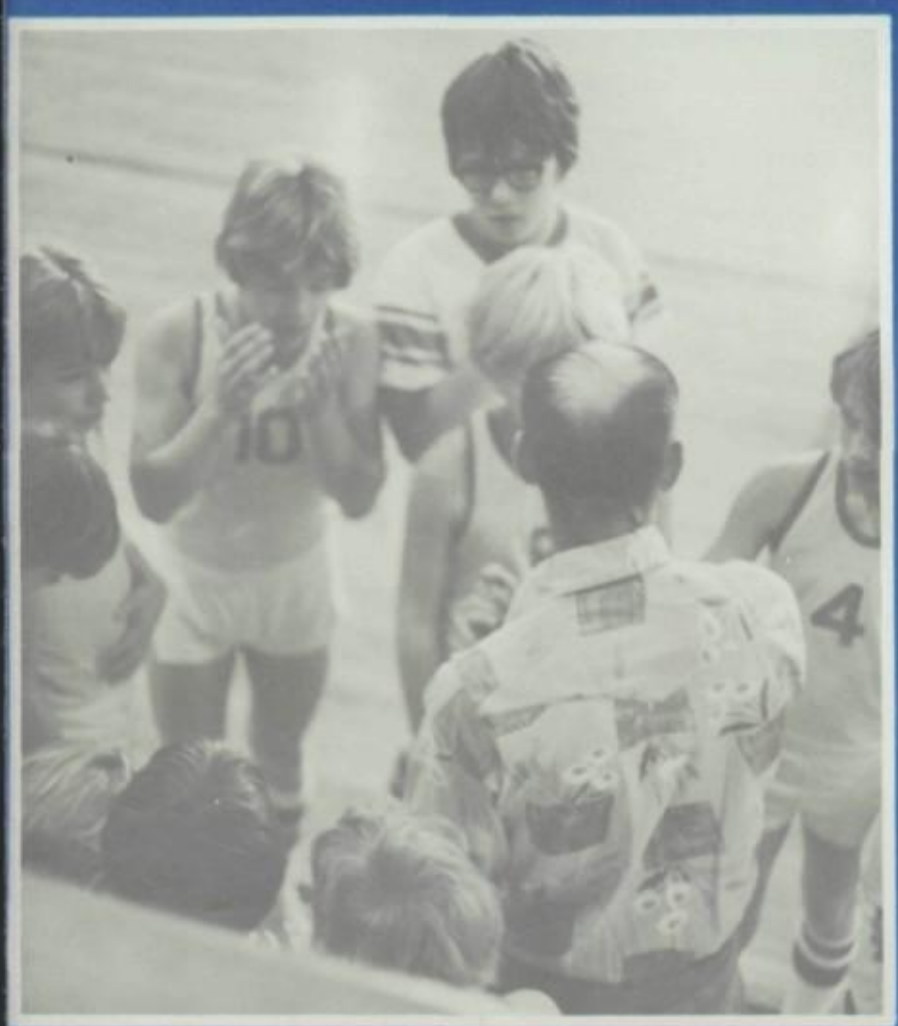
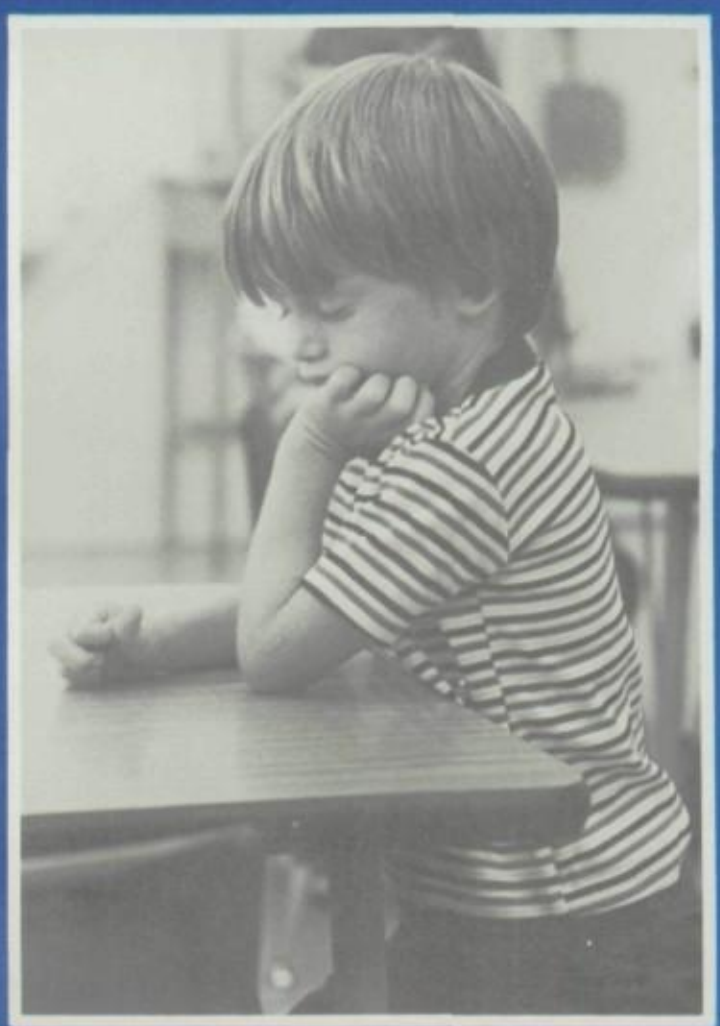
BETTER ONES



TO COME





We've turned the corner, and left the 1970's behind. This decade stares us in the face; and as we prepare to meet the challenge of the 80's, memories of the 70's, and especially of 1979, linger. We fondly reminisce about the good times we've had and recall the bad times, sometimes with an attitude of regret, but always with the assurance that they were, in fact, all part of our learning, growing experience.

So, for this moment, sit back, relax, and set your mind free, as we cherish the GOOD TIMES TO REMEMBER . . . . . BETTER ONES TO COME.
